Dedication

OUR THREE DEAF SISTERS

Lucina gave us sunshine
Her happiness gave light
To turn away the darkness
And make our dullness bright.

Floretta gave us blooming
Of flowers in her smile.
The fragrance of her loveliness
Will last a long, long while.

Carissima loved all God's world
But gave a special care
To children born to silence
And left her mem'ry there.

"Well, that's life!"

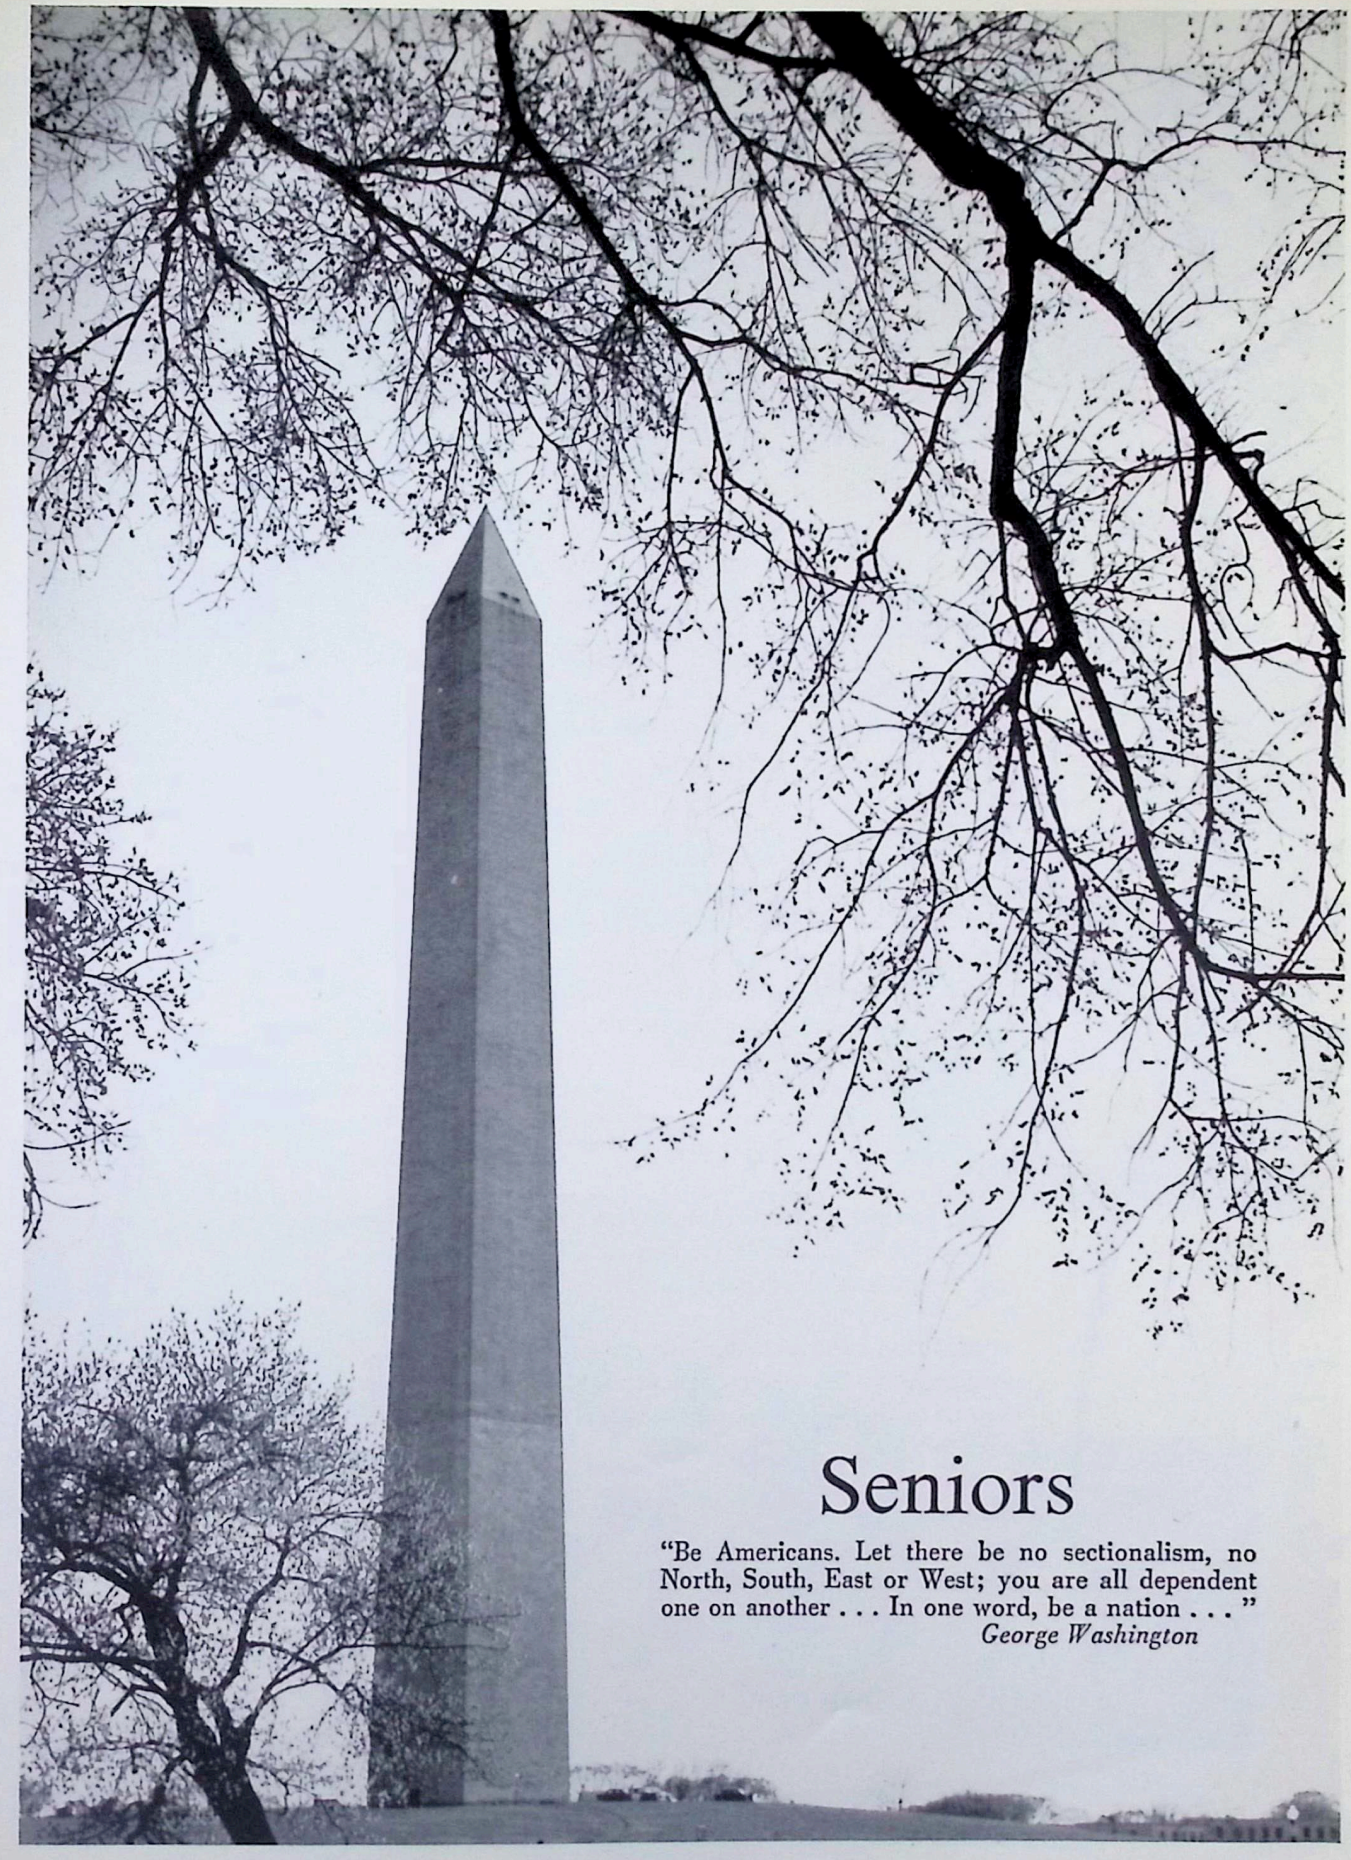
In Memory of Sister Leonilla

Sister Leonilla passed away on April 24, 1974. We are grieved that our beloved sister is gone, but we know she is in heaven.

Sister entered the convent of the Sister of St. Francis of Assisi in 1919 and took her vows in 1921. She celebrated her golden jubilee in 1971.

Sister worked with the mentally retarded for 26 years, then she came to St. John's and worked with the deaf children for six years. She was a member of the household staff.

Let us remember her in our daily prayers.



Seniors

"Be Americans. Let there be no sectionalism, no North, South, East or West; you are all dependent one on another . . . In one word, be a nation . . . "

George Washington

To the Class of 1974

The years roll by and we find that we are bidding farewell to the Class of 1974. As the years pass the deaf children grow and develop and before we know it they are walking down the aisle to receive their diplomas on Graduation Day.

All of us here at St. John's, religious and lay faculty, the staff and student body, wish the Class of 1974 the continued blessings of God as you reach for your future goals.

Our Class of 1974 will long be remembered as our smallest Graduation Class - one young lady and two young men. We shall remember the Class of 1974 for many things - Your decision that Florida would have something special to offer you in the middle of Winter and enjoyed your wonderful Class trip - The theme of "Winter Wonderland" for the Prom with the thousands of snowflakes of all shapes and sizes and the snowmen - The Prom area of the Teen Center and Lobby which provided a coziness and setting that was unique and delightful - Your love, loyalty and friendship. All of you were very well liked by everyone at St. John's and we shall miss your smiling faces.

We promise you remembrance in our prayers at daily Mass in the Chapel at St. John's. It was here in the Chapel that you came to give honor and glory to God and receive His strength.

May God, who was your source of strength in your school days, continue to bless you throughout your lives so that you will be a source of credit to those who love you so deeply and have sacrificed so greatly for your welfare.

The class of 1978 presented a program to the students and staff of St. John's. Our class of '78 invited Miss Nanette Fabray to our school. She is a famous movie and T.V. star. She was thrilled herself about the invitation. Miss Fabray came to our school. We knew that the students and staff were anxious to see her. She was very good at talking about her life and her career. She was beautiful with sign language when she sang, "Somewhere Over the Rainbow."

Christmas Is . . .

By the Primary Department

CHRISTMAS IS

FUN IN THE TOYSHOP
One Christmas Eve poor little Billy
walked the street.

"What is Christmas?" he wondered.

Then his puppy pushed his way
into a toyshop to help find out.

JOY IN THE HOME
Billy found out a little
about Christmas.
Christmas is
fun in the toyshop.
Christmas is
a spirit of kindness
like the man in the toyshop.

Christmas is
having a friend
who invites you to his home.

GOD IN OUR WORLD
Billy found out more about Christmas
Christmas is
joy in the home
Christmas is giving.
Christmas is receiving.
Christmas is sharing.
Christmas is loving.

But Billy kept looking for MORE Christmas

Then he saw a beautiful star.
He remembered that Christmas is wonderful
because Christmas is GOD IN OUR WORLD.

Central States School for the Deaf News

The CSSD Basketball tournament was a success in spite of the fact that Illinois School for the Deaf never got to Milwaukee because of the bad snowstorm. Luckily! St. Rita's School for the Deaf made it here even though they arrived very late because of the snowstorm. The hottest game was between Wisconsin School for the Deaf and St. John's. W.S.D. won and went on to be Champion of the CSSD tournament for the third consecutive year. St. John's came out second and St. Rita's third. Paul Closner and Tom Splitek made the All Star team along with three WSD Players and one St. Rita's Player. There was a bad storm, only three teams, and a gas shortage but it was a great weekend - one we will remember for a long time!
